Subject: Self-Monitoring Report
Discharge Permit No. 4167-03, Container Properties, L.L.C.
Former Rhone-Poulenc Site

Dear Mr. Zelelow,

Please find enclosed the Fourth Quarter 2021 Self-Monitoring Report for the Former Rhone-Poulenc Site (Discharge Authorization No. 4167-03). The pretreatment system operated within the permit criteria during the reporting period and discharge did not exceed the daily allowable discharge limit. As a note the system has been turned off temporarily for a pilot test in coordination with the EPA, so discharges are less this quarter than previous reporting periods.

Please contact me with any questions regarding the enclosed report.

Sincerely,
Dalton, Olmsted, & Fuglevand, Inc.
